SAENGERBUND WON TWO.

Golden Eagles Captured One Game by a

Single Pin. The set of bowling games played on the Saengerbund alleys last night by the ome team and the Golden Eagle Club was of the strenuous sort. The Saengers won two games, the first by a fair margin and the third game by sixteen pins.

The Golden Eagles landed the second game by a single, lonely pin, in one of the most heart-breaking finishes of the whole season. It would be hard to tell markable game, which should have been won or lost by a larger margin, as all hands bowled their best, and to those who had the chance to win by larger totals fell the hard luck of falling into the worst kind of splits, from which by no sort of work spaces could have been uphill fight they made.
